

SEND CPD SESSIONS

Future Pathways and Careers

These workshops aim to equip SLT, teachers and all support staff from SEND and AP schools to embed 'preparing for adulthood', careers and future pathways in all areas of school life.

Join us for a series of free online training sessions designed and delivered by Cosmic Cactus, experts in information and guidance for young people with SEND.

All sessions will be delivered virtually between 15:45 and 17:15
Attendees are welcome to register for the whole programme or individual sessions.
